ALTHEALTH NETWORK INC.

AltHealth Venture Partners LLP
Partners Agreement

Operating Agreement — Confidential

This Operating Agreement ("Agreement") is made and entered into by a new member ("New Partner") and the current members of AltHealth Venture Partners LLP (the "Partnership"), a limited liability partnership organized to grow the income of the Partnership through business development.

1. FORMATION OF THE PARTNERSHIP

AltHealth Network Inc. ("OpCo") has facilitated the formation of AltHealth Venture Partners LLP as a member-managed partnership on [Effective Date], according to the laws of Ohio, USA.

2. NAME AND PRINCIPAL PLACE OF BUSINESS

The partnership's name is AltHealth Venture Partners LLP. Its principal place of business is 4 W 4th Ave, 6th Floor, San Mateo, CA 94402.

3. PURPOSE

The purpose of the Partnership is to grow the client base of the AltHealth Platform ("Platform") and to grow Partnership earnings as well as individual partners' incomes as derived through commissions, profit distributions, and referral bonuses provided by the Platform.

New Partners may use word-of-mouth or digital means to grow the Partnership's business through referral marketing. They earn up to 30% or more on retail transactions that result from their referrals and word-of-mouth activity. All transactions are managed digitally on various marketplaces, primarily on the Platform.

4. MANAGEMENT

OpCo is a technology-enabled company that operates a platform focused on helping wellness practitioners monetize their expertise and recommendations. It shall be appointed to represent, administer, and conduct the affairs of the Partnership in exchange for a share of profit from operations. Each Partner shall act as an agent of the Partnership and shall have the authority to grow the Partnership's business through in-person referrals and digital word-of-mouth across various Internet platforms.

5. OWNERSHIP INTERESTS

Each Partner shall own and control a fractional share of the Partnership represented by their Partnership Unit holdings. Partnership Units are allocated by tier as set forth in Section 6. Profit distributions from Platform operations are made proportionally in accordance with each Partner's total Partnership Unit holdings relative to all outstanding Partnership Units.

6. CAPITAL CONTRIBUTIONS

Each person shall become a Partner in the Partnership by purchasing Partnership Units at one of the four tier levels, each initially priced as shown in the table below.

Partnership Tier	Buy-In Price	Partnership Units Awarded
VP1	$5,000	1 Unit
VP2	$25,000	6 Units
VP3	$50,000	13 Units
VP4	$250,000	71 Units

One Partner may hold more than one Partnership Unit across one or more tiers. There are no annual fees or maintenance charges. The Partnership may apply reasonable adjustments for inflation, market changes regarding currency values or economic conditions, and changes or extensions of business agreements, the specifics of which shall be shared with the Partners or their representatives before levy.

7. DISTRIBUTIONS

Annual distributions of profits and proceeds from Platform business operations shall be made to the Partners in proportion to their Partnership Unit holdings relative to all outstanding Partnership Units. Partners at higher tiers receive proportionally greater distributions commensurate with their Unit holdings.

8. BENEFITS

8.1 Referral Bonuses

Each Partnership Unit held by active Partners entitles them to preferred access to the Platform features and benefits. Referring a qualified new Partner entitles the referring Partner to a one-time referral bonus based on the tier level of the newly enrolled Partner, as follows:

New Partner Tier	Referral Bonus to Referring Partner
VP1 ($5,000)	$500
VP2 ($25,000)	$2,000
VP3 ($50,000)	$3,000
VP4 ($250,000)	$10,000

Referral bonuses are paid upon the successful completion of the new Partner's buy-in and execution of this Agreement.

8.2 Stock Option Incentive Program

OpCo also administers a Partner Stock Option Incentive Program offered by the Platform, consisting of the following share grants by tier, each with a strike price of $0.0001 per share, vesting over a two-year period with a six-month cliff and equal quarterly vesting thereafter:

Partnership Tier	Stock Option Grant
VP1	[ ] Class P shares

Partnership Tier	Stock Option Grant
VP2	[ ] Class P shares
VP3	[ ] Class P shares
VP4	[ ] Class P shares

This Stock Option Program further aligns the Partner's interest in driving the success of the business operations of the Platform and the Partnership, and should the Partner successfully deliver the stipulated responsibilities, participates in the upside of the Platform.

8.3 Succession

In case of the Partner's death, their Partnership Units shall pass to the next of kin. The Partner shall bear all due legal, tax, and any other considerations, and OpCo levies no charge for this process.

8.4 Transfer of Partnership Units

Should the Partner choose to sell their Partnership Units to a third party, OpCo will facilitate the sale for a 5% transaction fee. The Partnership reserves the right of first refusal on any sale of Partnership Units.

8.5 Tax Deductions

As an active business development agent, the Partner may be able to deduct reasonable business costs from their annual tax returns. Consult your tax consultant for details on what you can deduct in your situation.

9. REGULATORY COMPLIANCE AND BUSINESS OPERATIONS

The Partners act as Business Partners who drive growth through word-of-mouth referrals and other means. The partnership's culture is important, and as such, Partners are expected to behave respectfully. Upon conflicting action by a Partner, the Partnership reserves the right to repurchase the unit from the Partner at cost (with a standard 5% transaction fee).

The Partnership also reserves the right to repurchase the unit from the Partner at cost (without any transaction fee) if the Partner is not active in the business of the Partnership and has made no referrals within 12 months of the Effective Date.

10. REGULAR FINANCIAL REPORTING

Partners shall be provided with financial statements on an annual basis, along with annual tax information for each Partner.

11. MEETINGS AND VOTES

OpCo shall meet at least monthly to discuss the affairs of the Partnership and make any necessary decisions. Decisions are made using a voting mechanism if needed, and the Partnership may leverage a technology solution to manage the voting process. Partners either cast their votes themselves or may delegate their voting rights to OpCo. By default, the Partner shall delegate their voting rights to OpCo, and this can be changed by the Partner by making a request to do so in writing.

12. INDEMNITY

The New Partner agrees to indemnify and hold harmless the Existing Partners and the Partnership from any and all claims, liabilities, losses, damages, costs, and expenses (including reasonable attorneys' fees) arising out of any breach of this Agreement or negligent or wrongful actions by the New Partner while acting within the scope of the Partnership.

13. CONFIDENTIALITY

Partners shall maintain the confidentiality of all business information they receive from the Partnership.

Breaching this or other material provisions or the spirit of this Agreement may result in the Partnership repurchasing the Partner's Units.

14. DISSOLUTION

The Partnership shall be dissolved upon the occurrence of any of the following events: mutual agreement of the Partners, bankruptcy or insolvency of the Partnership, or as otherwise provided by law.

15. DISPUTE RESOLUTION

In the event of any dispute, controversy, or claim arising out of or relating to this Agreement, including any question regarding its existence, validity, interpretation, performance, or termination ("Dispute"), the Partners agree to first attempt to resolve the Dispute informally through good-faith negotiations between themselves.

If the Dispute cannot be resolved informally within 90 days of written notice from one Partner to the other(s) describing the nature of the Dispute, then the Dispute may be submitted to binding arbitration administered by the American Arbitration Association in accordance with its rules and procedures, including the Commercial Arbitration Rules and the Supplementary Procedures for Consumer-Related Disputes (collectively, the "Arbitration Rules").

The arbitration shall be conducted by a single arbitrator appointed in accordance with the Arbitration Rules. The place of arbitration shall be San Mateo, California, USA. This dispute resolution provision shall survive the termination or expiration of this Agreement.

By signing this Agreement, each Partner acknowledges and agrees to waive any right to a jury trial or to participate in a class action with respect to any Dispute covered by this dispute resolution provision.

16. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of Ohio, USA, without giving effect to principles of conflicts of law.

IN WITNESS WHEREOF, the undersigned have executed this Operating Agreement as of the Effective Date first above written.
